EDUCATION

**ACLEDA University of
Business**

2024-Present

Bachelor of Computer
Science and Engineering

TECHNICAL SKILLS

- HTML, CSS, Tailwind, JS
- REACT
- Java Spring Boot
- Django
- Git & GitHub
- PostgreSQL, SQL Server

PROJECTS

- Learning Management System API with Spring Boot
- Ensure the api is secured

LANGUAGES

- Khmer
- English

PROFESSIONAL SUMMARY

Motivated Computer Science and Engineering student with a strong foundation in backend development using Java Spring Boot. Experienced in building RESTful APIs and developing full-stack applications using modern technologies such as React, Django, and PostgreSQL. Eager to contribute technical expertise and grow within a dynamic professional environment

EXPERIENCES

Internship fullstack ASP.Net Core MVC developer

- Contributed to the design and development of a responsive Library Management System to streamline book management and user interactions.
- Developed the frontend interface using HTML, CSS, Bootstrap, and JavaScript, ensuring a clean, user-friendly, and mobile-responsive design.
- Implemented key UI components such as book listings, search functionality, navigation dashboards, and interactive forms.
- Collaborated with backend development efforts, supporting features including user authentication, product (book) listing, and additional system functionalities.
- Integrated frontend components with backend APIs to ensure seamless data flow and real-time updates.
- Participated in testing, debugging, and refining application features to ensure reliability and usability.

SOFT SKILLS

- Management Skills
- Creativity
- Reliable
- Helpful
